

“Aspectos controvertidos en el diseño y realización de ensayos clínicos sobre intervenciones no farmacológicas y complejas”.

“Controversial issues related with the design and conduction of non-pharmacological and complex interventions trials”

Tuesday 27 Oct	Wednesday 28 Oct	Thursday 29 Oct
<p>[9:00 – 11:00] P1: José Ignacio Emparanza / Fco. M. Kovacs / Eduard Targarona <i>A practical view from three Spanish researchers.</i></p> <p>P2: Mohit Bhandari <i>Practical issues on how to conduct multicenter trials.</i></p> <p>[11:00 – 11:30] Coffe-break</p> <p>[11:30 – 13:30] W1: Dan Cherkin <i>An Overview of the Key Elements of High Quality Clinical Trials.</i></p>	<p>[9:00 – 11:00] P3: Isabelle Boutron <i>Reporting of non-pharmacological trials.</i></p> <p>P4: Dan Cherkin <i>The Challenges of Conducting Scientifically Rigorous and Clinically Meaningful Trials Evaluating Treatments for Back Pain.</i></p> <p>[11:00 – 11:30] Coffe-break</p> <p>[11:30 – 13:30] W3: Dan Cherkin <i>How to Critically Appraise Clinical Trials Evaluating Non-Pharmacologic Treatments for Chronic Back Pain.</i></p>	<p>[9:00 – 13:30] W5: Diana Elbourne / Ian Roberts <i>Complex interventions trials to improve health care.</i></p>
<p>[13:30 – 15:00] Lunch</p>	<p>[13:30 – 15:00] Lunch</p>	
<p>[15:00 – 18:30] W2: Mohit Bhandari / Brad Petrisor <i>Critical appraisal session (surgery trial).</i></p>	<p>[15:00 – 18:30] W4: Isabelle Boutron <i>Assessing quality of reporting of NPT.</i></p>	

P: Plenary session; **W:** Workshop
